The Holiday Inn Express is the host hotel.

Call for a discounted rate. 989-624-9300.

Would you like the opportunity to have Chris Cox to yourself for 10 minutes and have a seat in the first 3 rows?

Well here is your chance! Rows A-C will be reserved seating. A ticket is only \$25.00 for the day and enters you in a drawing to ride with Chris for 10 minutes at the end of the day. We will choose 4 people each day. Half of the ticket proceeds helps a phenomenal charity, Western Wishes! Since 1994, this award-winning program has had the pleasure of turning dreams into lasting memories for these inspiring kids. The common thread we find with most Western Wishes kids is that they possess a fierce competitive spirit. Focusing on their goals to recover from a severe injury, adjust to life in a wheelchair or battle a deadly disease, gives them a positive outlook on life. As such, they become ambassadors of hope to others who are about to begin the long road to recovery or who are preparing to face the end of an already too-short life. For more information on Western Wishes, visit their website at www.westernwishes.org.

SPECIAL: 4-H Clubs tickets can be purchased through the 4-H leader at \$5 per ticket and a weekend pass for \$14. This also includes High School Equestrian members, Michigan High School Rodeo and Little Britches.

Tickets must be purchased in advance and through the 4-H leader. They are also available by calling our office at 810-639-0193.
